Welcome to Agri-Tel - Home to high quality wild birdseed and gourmet birdseed recipes.

Join us on this enriching journey of discovery and admiration for wild birds. Together, we can create a haven that not only nourishes these fascinating creatures but also enriches our lives through their captivating presence.

Our Product Range

• Bagged Seed

At Agri-Tel, we specialize in delivering high-quality wild bird food tailored to your exact requirements. Our advanced seed processing and packaging facility is equipped to handle orders ranging from 2 Kg bags to bulk totes, ensuring scalability for every need.

We offer a variety of packaging options, including:

 LDPE Plastic Bags – Durable and moisture-resistant

 Polywoven Bags – Strong and ideal for larger quantities

Whether you're a retailer, distributor, or enthusiast, Agri-Tel provides the flexibility and reliability you need to keep your shelves stocked and your customers satisfied.

• Pressed Seed

With more than three decades of expertise, using a natural binding agent, we excel in crafting birdseed bells, cakes, bars, rings, and logs. These can be easily hung using a simple string or cage, allowing you to showcase them in your backyards or balconies with elegance. Our products boast a minimum shelf life of 18 months, maintaining both shape and bird-friendly softness. We offer seamless customization of seed mixes and weights to meet specific client requirements effortlessly. As one of North America's largest manufacturers, our annual capacity reaches 2 million pieces.
