

We want to help local students build good saving habits and learn the importance of managing their money from an early age. That's why WFCU is giving students **\$25** to start their Smart Start Savings Account!

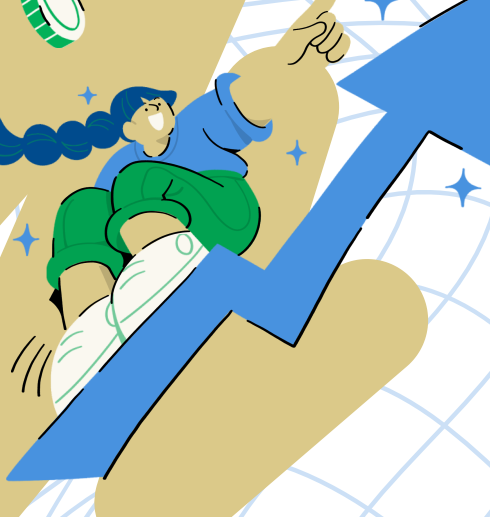

Here's what you need to do:

1. Open a Smart Start Savings Account with your child at WFCU or online. The account will be in your child's name.
2. If your child is under 18, a parent or guardian must be a joint owner on the account.
3. Once the account is opened, WFCU will deposit \$25 into the account.

You can open an account online by scrolling down for instructions, or stop by WFCU and open one in person today!

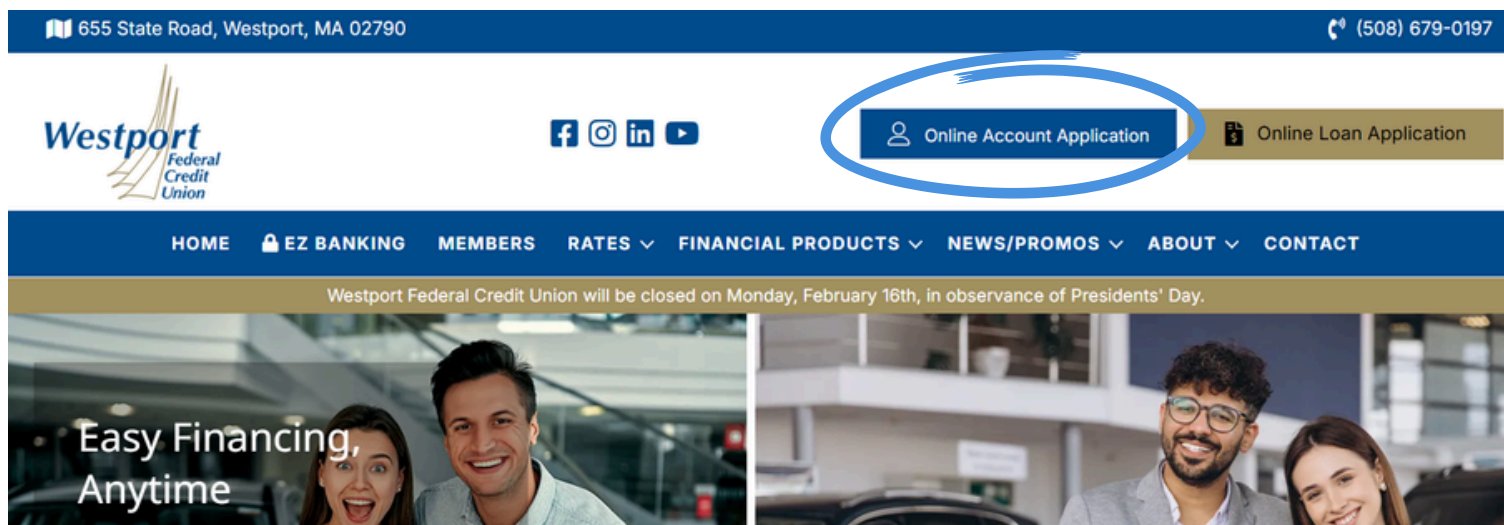

Let's give your student a Smart Start for the school year and help them start building a foundation for their financial future.

How to Open a WFCU Smart Start Account as a **NEW** member

1 Start at www.westport.org and click on “Online Account Application”

2 A parent or guardian will fill out the application with the student (the students name should be used on the application with a parent or guardian listed as joint owner)
