### ENTERME ENTERME

Let me entertain you
Let me make you smile
Let me do a few tricks
Some old and then some new tricks
I'm very versatile!

And if you're real good
I'll make you feel good
I want your spirits to climb

So let me entertain you
And we'll have a real good time
Yes sir!
We'll have a real good time!

Let me entertain you
Let me make you smile
Let me do a few tricks
Some old and then some new tricks
I'm very versatile!

And if you're real good
I'll make you feel good
I want your spirits to climb

So let me entertain you And we'll have a real good time Yes sir! We'll have a real good time!

## THISISTIFE MOMENT

This is the moment! This is the day
When I send all my doubts and demons
On their way!

Every endeavor I have made - ever Is coming into play
Is here and now - today!

This is the moment, This is the time When the momentum and the moment Are in rhyme!

Give me this moment, this precious chance I'll gather up my past And make some sense at last!

This is the moment
When all I've done
All the dreaming
Scheming and screaming
Become one!

This is the day
See it sparkle and shine
When all I've lived for
Becomes mine!

For all these years
I've faced the world alone
And now the time has come
To prove to them
I've made it on my own!

This is the moment
My final test
Destiny beckoned
I never reckoned
Second Best!

I won't look down
I must not fall!
This is the moment
The sweetest moment of them all!

This is the moment!
Damn all the odds!
This day, or never
I'll sit forever
With the gods!

When I look back I will always recall

Moment for moment
This was the moment
The greatest moment
Of them all!

What good is sitting alone in your room?
Come hear the music play.
Life is a Cabaret, old chum,
Come to the Cabaret.

Put down the knitting,
The book and the broom.
It's time for a holiday.
Life is a Cabaret, old chum,
Come to the Cabaret.

Come taste the wine,
Come hear the band.
Come blow your horn,
Start celebrating;
Right this way,
Your table's waiting.

No use permitting
Some prophet of doom
To wipe every smile away.
Life is a Cabaret, old chum,
So come to the Cabaret!

I used to have this girlfriend Known as Elsie, with whom I shared Four sordid rooms in Chelsea

She wasn't what you'd call
A blushing flower... as a matter of fact
She rented by the hour.

The day she died the neighbours
Came to snicker:
"Well, that's what comes
From too much pills and liquor."
But when I saw her laid down like a Queen,
She was the happiest corpse I'd ever seen.

I think of Elsie to this very day.

I remember how she'd turn to me and say:

"What good is sitting all alone In you room?

Come hear the music play.

Life is a Cabaret, old chum,

Come to the Cabaret."

And as for me, ah, and as for me I made my mind up, back in Chelsea, When I go, I'm going like Elsie.

> Start by admitting, From cradle to tomb It isn't that a long a stay.

Life is a Cabaret, old chum, It's only a Cabaret, old chum And I love a Cabaret.

## DANCING QUEIN

Friday night and the lights are low
Looking out for a place to go
Where they play the right music
Getting in the swing
You come to look for a king

Anybody could be that guy
Night is young and the music's high
With a bit of rock music
Everything is fine
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only twentyone
Dancing queen
Feel the beat from the tambourine

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

You're a teaser, you turn them on Leave them burning and then you are gone

Looking out for another, anyone will do You're in the mood for a dance
And when you get the chance

You are the dancing queen Young and sweet, only twentyone

Dancing queen
Feel the beat from the tambourine,

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen
Digging the dancing queen

Whenever I see someone less fortunate than I And let's face it, Who isn't less fortunate than I?

My tender heart tends to start to bleed And when someone needs a makeover, I simply have to take over I know, I know exactly what they need

And even in your case
Though it's the toughest case I've yet to face
Don't worry, I'm determined to succeed
Follow my lead, and yes, indeed
You will be...

Popular! You're gonna be popular
I'll teach you the proper ploys
when you talk to boys
Little ways to flirt and flounce, ooh!
I'll show you what shoes to wear,
how to fix your hair
Everything that really counts to be

Popular! I'll help you be popular
You'll hang with the right cohorts,
you'll be good at sports
Know the slang you've got to know
So let's start!

'cause you've got an awfully
long way to go

### DEFING GRAVITY

Something has changed within me
Something is not the same
I'm through with playing by the rules
of someone else's game

Too late for second-guessing
Too late to go back to sleep
It's time to trust my instincts
Close my eyes and leap

It's time to try defying gravity I think I'll try defying gravity And you can't pull me down

I'm through accepting limits
'Cause someone says they're so
Some things I cannot change
But till I try, I'll never know

Too long I've been afraid of
Losing love, I guess I've lost
Well, if that's love
It comes at much too high a cost

I'd sooner buy defying gravity
Kiss me goodbye, I'm defying gravity
And you can't pull me down

Unlimited
My future is unlimited
And I've just had a vision
Almost like a prophecy
I know... it sounds truly crazy
And true, the vision's hazy
But I swear, someday there'll be

Up in the sky defying gravity
Kiss me goodbye, I'm defying gravity
And you can't pull me down

So if you care to find me
Look to the western sky
As someone told me lately
Everyone deserves the chance to fly

And if I'm flying solo
At least I'm flying free
To those who'd ground me
Take a message back from me

Tell them how I am defying gravity
I'm flying high, defying gravity
And soon I'll match them in renown

And nobody in all of Oz
No wizard that there is or was
Is ever gonna bring me down

## HOPELESSLY DEVOIED

Guess mine is not the first heart broken
My eyes are not the first to cry
I'm not the first to know
There's just no getting over you

I know I'm just a fool who's willing
To sit around and wait for you
But baby, can't you see
there's nothing else for me to do?
I'm hopelessly devoted to you

But now there's nowhere to hide Since you pushed my love aside I'm out of my head Hopelessly devoted to you

My head is sayin', "Fool, forget him"
My heart is sayin', "Don't let go
Hold on to the end",
that's what I intend to do
I'm hopelessly devoted to you

But now there's no way to hide
Since you pushed my love aside
I'm outta my head
Hopelessly devoted to you

# INTONE VENIN

What do you get when you fall in love
A guy with a pin to burst your bubble
That's what you get for all your trouble
I'll never fall in love again,
I'll never fall in love again

What do you get when you kiss a guy?
You get enough germs to catch chlamydia
After you do, he'll never phone ya'
I'll never fall in love again yeah,
I'll never fall in love again

Don't tell me what it's all about
Cause I've been there and I'm glad I'm out
Out of those chains,
those chains that bind you
That is why I'm here to remind you

What do you get when you fall in love?
You only get lies and pain and sorrow
So far at least until tomorrow
I'll never fall in love a- gain

I'll never fall in love again

What do you get when you give your heart?
You get it all broken up and battered

That's what you get a heart that's shattered I'll never fall in love again I'll never fall in love again

Don't tell me what it's all about
Cause I've been ther
and I'm glad I'm out
Out of those chains,
those chains that bind you
That is why I'm here to remind you

What do you get when you fall in love?
You only get lies and pain and sorrow
So far at least until tomorrow
I'll never fall in love a- gain

I'll never fall in love a- gain

## 

Let's start at the very beginning
A very good place to start
When you read you begin with A-B-C
When you sing you begin with do-re-mi

Do-re-mi, do-re-mi
The first three notes just happen to be
Do-re-mi, do-re-mi

Do-re-mi-fa-so-la-ti

DO a deer, a female deer
RE a drop of golden sun
MI a name I call myself
FA a long, long way to run
SOL a needle pulling thread
LA a note to follow Sew
SI a drink with jam and bread
That will bring us back to DO

DO un don un gran señor
RE un rey muy cantador
MI mi amor es para ti
FA es facil recordar
SOL que brilla y da calor
LA si cantas la la la
SI es una afirmación
Y volvamos con el DO

# THECHRELE CONTRACTOR LIFE

From the day we arrive on the planet
And, blinking, step into the sun
There's more to see
than can ever be seen
More to do than can ever be done

There's far too much to take in here
More to find than can ever be found
But the sun rolling high
Through the sapphire sky
Keeps great and small
on the endless round

It's the circle of life
And it moves us all
Through despair and hope
Through faith and love

'Til we find our place
On the path unwinding
In the circle
The circle of life

Pesde el día que al mundo llegamos Y nos ciega, el brillo del sol Hay mucho más para ver de lo que se puede ver Más para hacer de lo que da el vigor

Son muchos más los tesoros
De los que se podrán descubrir
Mas, bajo la luz del sol,
jamás habrá distinción
Grandes y chicos han de convivir

En el ciclo sin fin
Que nos mueve a todos
Y, aunque estemos solos
Debemos buscar

Hasta encontrar
Nuestro gran legado
En el ciclo
El ciclo sin fin

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen

The wind is howling
Like this swirling storm inside
Couldn't keep it in, Heaven knows I tried

Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, Don't let them know
Well, now they know

Let it go, let it go, Can't hold it back anymore
Let it go, let it go Turn away and slam the door
I don't care what they're going to say
Let the storm rage on
The cold never bothered me anyway

It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all

It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me
I'm free!

Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry

Here I stand
And here I'll stay
Let the storm rage on

Por viento y tierra Mi poder florecerá Mi alma congelada En fragmentos, romperá

Ideas nuevas
Pronto cristalizaré
No volveré jamás
No queda nada atrás

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone
Here I stand
In the light of day
Let the storm rage on

The cold never bothered me anyway

### SUPERCALIFRAGILIS TICEXPIALIDOCIOUS

It's supercalifragilisticexpialidocious!

Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll always sound precocious
Supercalifragilisticexpialidocious!

Um diddle diddle um diddle ay (x4)

Because I was afraid to speak when I was just a lad
My father gave my nose a tweak
and told me I was bad
But then one day I learned a word
that saved my achin' nose
The biggest word you ever heard
and this is how it goes, oh!

Supercalifragilistic expialidocious
Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll always sound precocious
Supercalifragilistic expialidocious!

Um diddle diddle um diddle ay (x4)

He traveled all around the world and everywhere he went
He'd use his word and all would say:
There goes a clever gent
When Dukes and Maharajas pass
the time of day with me
I say my special word and then they ask me out to tea, oh!

### MAYBETH STIME

Maybe this time, I'll be lucky
Maybe this time, he'll stay
Maybe this time, for the first time
Love won't hurry away

He will hold me fast
I'll be home at last
Not a loser anymore
Like the last time
And the time before

Everybody loves a winner
So nobody loved me
'Lady Peaceful', 'Lady Happy'
That's what I long to be

Well, all the odds are, they are in my favor
Something's bound to begin
It's gotta happen, happen sometime
Maybe this time, I'll win

'Cause everybody, oh, they love a winner
So nobody loved me
'Lady Peaceful', 'Lady Happy'
That's what I long to be

Well, all the odds are, they are in my favor
Something's bound to begin
It's gotta happen, happen sometime
Maybe this time
Maybe this time, I'll win

# SOMEWHERE OVER THE RAINEON

Somewhere over the rainbow, way up high
There's a land that I heard of once in a lullaby

Somewhere over the rainbow, skies are blue And the dreams that you dare to dream Really do come true

> Someday, I'll wish upon a star And wake up where the clouds are far behind me

Where troubles melt like lemon drops Away, above the chimney tops That's where you'll find me

> Somewhere over the rainbow blue birds fly Birds fly over the rainbow Why then, oh, why can't I?

If happy little blue birds fly beyond the rainbow Why, oh, why can't I?

## 

The sun'll come out, Tomorrow
Bet your bottom dollar
That tomorrow there'll be sun

Just thinkin' about Tomorrow
Clears away the cobwebs
And the sorrow 'til there's none

When I'm stuck with a day
That's gray and lonely
I just stick out my chin
And grin and say, oh

El sol brillará mañana
Ya verás que, pase lo que pase
Sale el sol
Mañana te espero
Mañana te falta un día para llegar

When I'm stuck with a day
That's gray and lonely
I just stick out my chin
And grin and say, oh

The sun'll come out
Tomorrow
So ya gotta hang on
'Til tomorrow come what may

Tomorrow, tomorrow
I love ya tomorrow
You're always, a day away
