## PROMISE

I'll train you on how to handle your money in 90 days  
so you never go broke (in the cage or out of it)

## HERE'S WHAT YOU GET...

### 12 WEEKLY 1:1 COACHING CALLS WITH ALVIN (\$4,800 VALUE)

- Every week we work through your specific situation - no generic advice, no fluff.

### THE FIGHTER'S FINANCIAL BLUEPRINT (\$1,500 VALUE)

- A done-with-you money system built specifically for fighters. You'll know exactly what to do the day your check lands, how to split it, what to protect, and how to make it last between fights.

### SPENDING TRIGGER AUDIT (\$1,200 VALUE)

- We identify exactly why you spend when you're suspended, hurt, or bored and cut it off at the root. Because your money problem isn't math. It's mental. We fix that first.

### LIFE AFTER SPORT OPTIONS MAP (\$1,000 VALUE)

- A private session where we map every realistic path available to you after your fighting career ends so you never feel trapped, option-less, or like fighting was all you had.

### PRIVATE FIGHTER COMMUNITY (90 DAYS) (\$500 VALUE)

- A closed group of fighters at the same crossroads. Just real athletes holding each other accountable with money, mindset, and life.

## 90-DAY ACCOUNTABILITY CHECK-INS (\$900 VALUE)

- Biweekly check-ins to review your numbers, catch bad habits early, and keep you on track.

## THE GUARANTEE

Complete all 12 sessions, do the work, show up for every check-in. If by day 90 you don't have a clear financial foundation AND a mapped plan for life after sport; I will coach you for another 30 days free.
