## The Morning Ritual

ในทุกเช้าตรู่ ครัวของเราจะอบอวลด้วยกลิ่นหอมของเนย AOP ชั้นเลิศ และแป้ง Sourdough ที่ผ่านการหมักเพาะ 48 ชั่วโมง อย่างใจเย็น เพื่อมอบสัมผัสที่หอมกรุ่นและเป็นเอกลักษณ์ในทุกๆ วัน

## Handcrafted Upon Request

เพื่อรักษาบรรณกรรมและโครงสร้างของรสชาติที่สมบูรณ์แบบที่สุด เราเลือกที่จะไม่วางอาหารหรือขนมโชว์ในตู้ แต่จะบรรจง **"ปรุงและประกอบใหม่ทุกจานเมื่อคุณสั่งเท่านั้น"**

สุนทรียภาพแห่งความสดใหม่... ที่คุ้มค่าแก่การรอคอย

## Perfection takes a moment.

We thank you for your patience.

## Salon de Thé The Art of Freshness

### The Morning Ritual

At the first light of dawn, our atelier is filled with the sublime aroma of premium AOP butter and slow-fermented sourdough, ensuring every bake captures its signature character and fragrance.

### Handcrafted Upon Request

To honor the integrity of flavor and texture, we do not display our creations. Instead, every dish is **"meticulously assembled and prepared only upon your request."** This preserves the delicate crunch and temperature of our finest selections, serving them exactly as they were meant to be enjoyed.

A brief wait for a lasting impression.

### Perfection takes a moment.

We thank you for your patience.

**Papillon Team**

The image shows four croissants arranged on a wooden surface. The croissants are golden-brown with a deep, caramelized crust and a visible, airy, complex heart. The lighting highlights the texture of the dough and the wood grain. The text is centered in the middle of the image.

A tribute to patience;  
48-hour sourdough lamination creates  
a deep, caramelized shatter and an  
airy, complex heart.
