Welcome to Our 2026 Tricky Tray

Sunday, November 8, 2026

2 - 8 p.m.

Gran Centurions, 440 Madison Hill Rd, Clark

Angel PAWS is a small 501C3 organization that was founded in 1999. We have an adoption pet center where our felines reside until they are adopted. We have cats that find their forever homes quickly and others that have lived nearly all of their lives with us. All are loved dearly and they know they are safe there until their final days. Our mission statement is: To promote the humane treatment and care of animals as pets, provide a safe haven for those in need and educate and assist their human friends. We believe every animal has the right to be wanted before it is born and the right to a loving home.

Today's event will help us to continue our mission of providing all those who come through our door with complete medical care, a good diet, and socialization skills that will enable them to be adopted to loving, vetted homes. They all deserve that chance.

Thank you for your support!
